Situation:

Gentlemen,

Today's sorties will consist of a 20-mile BARCAP circuit along the Demilitarised Zone. In light of recent attacks made against Mandumi Airstrip, a US Marine Corps Battalion is enroute to reinforce ground troops there. It's our job to ensure they arrive safely. You'll be relieved at 0715hrs Zulu.

Upon completion of the mission, the 1433rd USMC Battalion must be at 100 percent strength, and a screenshot taken as proof.

Good luck!
