185TH TEAMSPEAK SERVER KEY BINDINGS V4

Available Key bindings:

> Training Channel
>
> Squadron Channel
>
> TE Testing Channel
>
> Black Flight Channel
>
> Blue Flight Channel
>
> Green Flight Channel
>
> Red Flight Channel
>
> Force-on-Force Red
>
> Force-on-Force Blue

Simply extract the directory into ...\TeamSpeak2_RC2\ on your hard disc then load TeamSpeak and import the Key Binding file for the channel you require by **clicking on the Settings menu** then **select Key Settings** and **then Import**. **Go to the directory where you saved the 185th keybindings, open the folder 185th TS Server** and **double click the key bindings file** you require and finally **click Ok**.
