Background

The ground war continues to be a war of attrition with the enemy managing to replenish Armies at a phenomenal rate. Our forces are digging in awaiting re-supplies but there seems to be no end to the suffering and morale is at rock bottom.

It's time to hit the enemy where it hurts and help boost our forces morale. A daring plan to take out 3 Elite Army Bases in one mission sweep has been devised and top brass has confidence that 185th will be able to pull the mission off, with minimal casualties. The destruction of the 3 Army battalions will impact hard on the enemy, helping our ground forces to get that edge that is so desperately needed.

Mission

Destroy the 3 Army Bases at Jezerane, Bihac and Zadar. Inflict as much damage as possible.

Mission Success Criteria

Deep Strike – Cowboy 1

Reduce the 3 Army corps bases to 35% or less operational with a minimum of 2 Barracks destroyed at each base.

Bihac Army Base – stpt 6

Zadar Army Base – stpt 7

Weapons

AA loadouts are fixed

AG loadouts are free.

The flight plan is free but it is advisable to stick to the steerpoints.

Enemy

SA5/SA2 are known threats and expect some type of mobile radar SAM systems to be active. AAA is also likely to be active close to the targets, so proceed with caution. SA10 systems are active outside the target vicinity but could pose a threat if the flight plan is altered.

A carrier group has been reported 20nm SW of Pula Airbase that is heavily defended with SU33 CAPs in abundance, so be extra vigilant. It is advised to avoid a sea approach both to and from the target area.

Details of Hostile AC and locations are available in the Order of Battle at Mission planning.
