Background

The enemy have started a major offensive towards friendly airfields with low level attack aircraft after suppressing our air defences. The Allied Force is desperately trying to hold onto the Airfields but a ground offensive is imminent. A Battalion of T90 Tanks have been spotted heading towards friendly assets and must be held back until a larger force can be mustered.

Mission

Attack the 554th Tank Battalion and destroy the Hrastovlje Bridge.

Target - Hrastovlje Bridge.

Enemy

Details of Hostile AC and locations are available in the "Order of Battle" at Mission Planning.

SAMs include Carrier launched SA-N-6, SA2, SA5 & possibly SA6 & SA10. An SA17 is in close proximity to the target area so be vigilant and avoid. Expect the tank Battalion to fire some nice projectiles back at you - if you get too close!
