## CURRENT SITUATION

War is ongoing with the Allies gaining a slight advantage.  
To keep up the pressure we need to destroy Udbina airbase.

Take off from runway 260 at Rivotto Airport.

Expect top line fighters and SAM's to be in area as this is a much contested part of the battlefield with both sides trying to get upper hand. If you can pull this off and destroy this vital base it will go a long way towards the final victory.
