## BACKGROUND

It is believed the North have been secretly hiding nuclear detonators/ triggers for their warheads in the specific ammo dump of Koksan. Intelligence suggests that they are to be transported to a near by factory in the coming days giving them Nuclear weapons capability, this must be stopped.

## CURRENT SITUATION

The order has been sent to prevent world war 6 breaking out we must destroy the ammo dump.

## MISSION DETAILS

### Mission

There will be one strike flight, targeting the ammo dump.

The flight will be supported by an escort flight and SEAD escort as intelligence shows multiple air to ground threats in and around the area.

Weather – Check last TAF/Metar

Enemy – Ground Threats - Unknown.
