

Lesson Title
TE Building

Aim
To teach pilots how to build a TE to the standard required for 185th flight nights.

Time Required
1.5 - 2 hrs.

Topics to be Covered
Talk through PJ's comprehensive TE building document (you should have it pre-printed) and get the students to follow the steps and build the TE as they go along.

If you have time afterwards, feel free to fly the mission so student can see their hard work in action, although this is not an official part of the lesson.

Briefing Material
