BACKGROUND

The Gossip Mill at Yongso-dong is spreading malicious gossip for several months. They started to broadcast small video clips lateley and yesterday our intelligence recorded one, showing our President as a strapper in pink suspenders. That's outrageous!

Your mission is to destroy the radar and TV station at Yongso-dong.

The weather is sunny, wind 23deg@1kts, temp 12deg C, cloud 35k ft, con layer 34k ft. Expect modern SAM, MiG-29A and SU-27.

Good Luck!
