

Close Air Support

Today's mission is to the North of our position near Pyeongtaeg Airbase. Friendly troops and armored units are currently engaged against some enemy heavy Armour, we are tasked with providing Air support. Primary targets are the 3688th SP Guns Battalion at Asam, and the 3719th Tank Battalion at Daeulpo.

Flights will consist of a Package of three two ship F16's No 3701.

Cowboy 1: Pre Planned CAS, Target 3688th SP Guns, Weapons: 12 Mk20D Rockeye Cluster Bombs

Falcon 1: Interdiction/SEAD, Primary Target 3719th Tanks, Secondary target; SA2 site west of the battlefield, Weapons: 1 AGM88 HARM, 9 Mk20D Rockeye Clusters.

Fury 1: Sweep, Act as escort to the strike flights, Weapons: Optional

Air to Ground Weapons *are fixed*

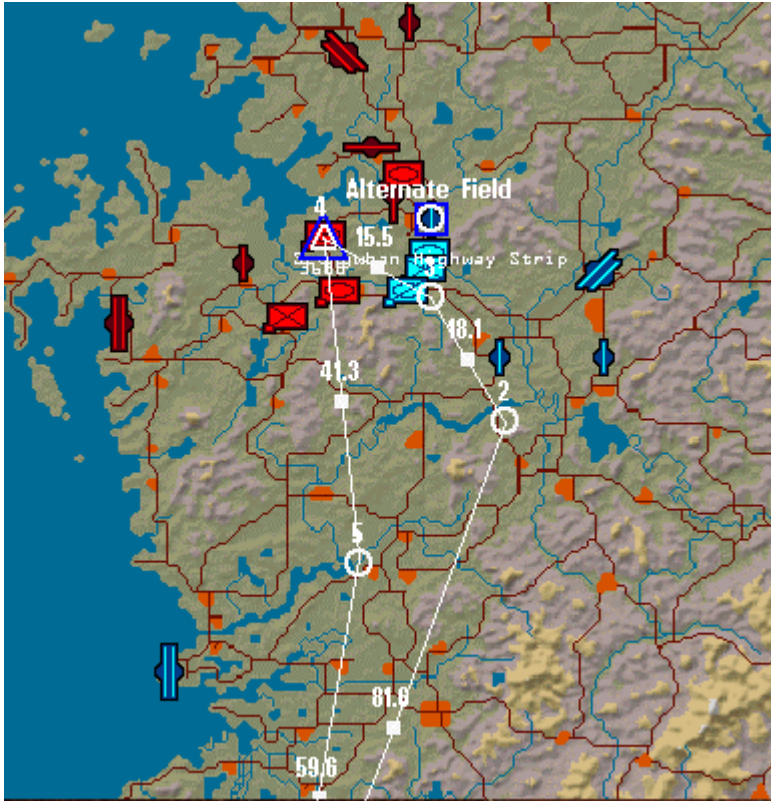

Air-to-Air Weapons are Optional

All three flight are available to fly, you choose which ones you prefer.

Both Medium and high level air threats are operating in the area
And the ground units are well equipped with short range SAM's
Do not loiter too long in the target area, one pass and haul ass please!

The accompanying Map gives an Idea of the rough locations of the units.

Take every care to check with AWACS on the ID of ground units, and be sure to have the position of your targets well marked so as to avoid any danger of blue on blue incidents!!.

Winder.
