

Top Secret for High Command Only

High Priority

Intel just in:

*The 3rd Army Has been a thorn in our side for a long time their High command is very competent even by our standards. We are About to paid them a Visit though ☺. The following recon photo shows your target the 3rd Army HQ based in Kaesong. It also shows a kindergarten and Hospital that we have to avoid if possible. **All the 3rd Army High Command will be present on 23rd***

*The strike package will consist of 2 F-15 E armed with 4 GBU 10`s. The GBU`s are necessary to **avoid collateral damage** no other Ordinance will do. (Fixed load out).*

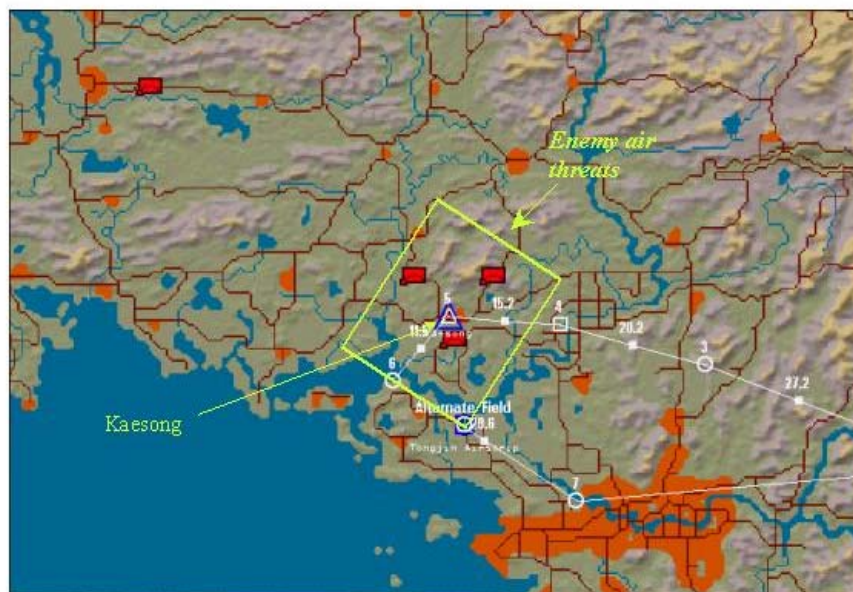

Seadstrike will consist of 2 F-16`s armed with 2xAgm 88 and 4 CBU 87 plus A2A stores. (Loadout not fixed)

There have been Sweep flights assigned to the target area. These consist of 4 F-15 C.

A Flight of F-16's has also been assigned CAS duty at the target area to reduce enemy effectiveness. (Loadout not fixed)

Expect heavy enemy resistance as this is an important target and the DPRK know it!

Known enemy assets: Mig29`s are based at Airfields to the north and west exact numbers **Unknown**. Enemy ADA consists of Sa-2, Sa-3, AAA and unknown enemy Battalions.

Saint.

(The Deepstrike (3720) and Seadstrike (3718) are the primary planes to be flown but the F-16 CAS (3722) can be flown if people don't want to fly the F-15E.)
